VEGAS CLASSIC

The table as the pit boss sees it: the whole half-moon at once, red leather rail, gold-printed felt with the insurance band, and five rectangular betting boxes. Everyone's hand is the same size, as on a real table. Yours is the one under the spotlight.

WHAT MAKES IT FEEL LIKE VEGAS

- Green HIT and red STAND: the casino's own colours, readable without reading
- "Blackjack pays 3 to 2" and the insurance band printed in gold on the felt
- Each player's chip sits in their box. Jordan's box is empty because his bust was paid out
- Smallest cards of the five, but the whole table fits on one screen
