High Limit Salon

The quiet room behind the velvet rope. Blue felt, a mahogany rail, brass name plates at every seat, and totals marked with ivory lammer discs, the markers real dealers drop on the felt. Nothing shouts. Everything is readable.

WHAT MAKES IT FEEL LIKE THE HIGH-LIMIT ROOM

- Everyone's cards are big enough to read. Following the other players is part of the game
- Brass name plates in front of each seat, yours engraved with your bet
- A fuller dealer tray (purple and gold chips) says "bigger money" without a word
- Blue felt and serif type make it a natural premium table skin to unlock
